Can it be that I am cho - sen-- Cho-sen by the King of kings?
Yes, I know; for He has told me, Told me in the book of love,
Called me to Him out of dark - ness In - to his most mar - v'lous light;
Why has He thus loved and led me, I, a pil - grim here be - low?--

Mem - ber of the roy - al priest - hood, Min - is - t'ring in ho - ly things?
Told me how the Sav - iour loved me When he left the courts a - bove.
Told me I must love and serve him With my soul, my mind, my might.
That I may to all a - round me Praise him, and his good - ness show.

Can it be that one so sin - ful, So un - wor - thy of His love,

Can be made an heir of hea - ven-- Pu - ri - fied for realms a - bove?
