When I fled to Him for com - fort And my tears were fall - ing fast,

I have found a pre - cious Sav - ior, And for Him a - lone I live.  
Hal - le - lu - jah, I will praise Him, For I know He an - swers prayer.  
On - ly He can still the tem - pest, And my bro - ken spir - it bind.  
"Fear thou not" I heard Him say - ing, "Trust Me now as in the past."

*Refrain*

Faith - ful help - er, lov - ing heal - er, He my hope and con - stant friend!

In His hands will I take sol - ace, And on Him I will de - pend.
